Circular

The Hon'ble Vice Chancellor, Maulana Abul Kalam Azad University of Technology, West Bengal has come up with an innovative idea to invite students from affiliated colleges in a **contest** to develop Technological Innovation Solutions for the abatement of the following solid waste pollution from all the students of its affiliated colleges

- (i.) E-waste
- (ii.) Plastic waste
- (iii.) Construction waste
- (iv.) Domestic waste
- (v.) Bio-medical waste

All faculty members are requested to encourage the students for taking up this challenge in the form of either Final Year Projects (FYPs) or in the form of small projects beyond normal course curriculum.

The project will be evaluated at the college level by the College Expert Committee and the best one, as recommended by the Expert Committee, will be forwarded to the University by 1st week of May' 2018 for Evaluation in the contest.

The Innovation Solutions received from the colleges will be assessed by the team of Experts from Maulana Abul Kalam Azad University of Technology, West Bengal on the next World Environment Day (June 5, 2018) and the **successful innovations will also be encouraged for incubation and start up programmes through**
