

**Maulana Abul Kalam Azad University of Technology,  
West Bengal**  
Main Campus: Haringhata, Nadia

Date: 17-June-2018

**NOTICE**

In view of requirement for competency of students and for betterment, all affiliated i) colleges offering under graduate Engineering courses are advised to conduct objective type tests on English, Physics, Chemistry and Mathematics and ii) colleges offering under graduate Pharmacy courses are advised to conduct objective type tests on English, Physics, Chemistry and Mathematics/Biology for students admitted during 2018-19 session.

After conducting the tests, the colleges will have to identify the students who are weak in the subjects mentioned (i.e., secured less than 45% marks) and have to provide extra classes (remedial classes) for those students for improvement in the subjects mentioned above. Colleges have to submit the scores of the tests along with the attendance of the students in the improvement scheme.
