No.1.2/Regis./Prin.dir./Std.Cont/2018

Dated : 27th of August, 2018

Circular

In continuation of the circular dated 14/06/2017, issued by the Registrar, students from affiliated colleges have been invited to participate in a contest to develop Technological Innovation Solutions for the abatement of the following solid waste pollution:

- a) E – Waste
- b) Plastic Waste
- c) Construction Waste
- d) Domestic Waste
- e) Bio-medical Waste

All faculty members of the affiliated colleges are advised to encourage the students for taking up this challenge in the form of either Final Year Project (FYPs) or in the form of small projects beyond normal course curriculum.

The project will be evaluated at the college level by the College Expert Committee and the best one, as recommended by the Expert Committee, need to be forwarded to the University by 31st of March, 2019 for evaluation in the contest.

The Innovative Solutions received from the colleges will be assessed by the team of Experts from MAKAUT, W. B., on the next World Environment Day (5th June, 2019). **The participants offering successful innovative ideas as assessed on 5th of June, 2019 will be encouraged for incubation and start up programme through EKTA Incubation Centre, MAKAUT, W. B.** The best five contestants will receive award and certificate of recognition from the University.

The Principals of all the colleges are requested to circulate this amongst all the faculty members and students of the respective colleges.
