No. 2.11/Regis./Ext(Ntc)/2017

Dated; 21.11.2017

In continuation of our previous Notification, it is being further notified that University has received some applications stating that the relevant candidates could not complete their Registration due to Medical Ground. Considering the prayers of the Students, University has on principle decided to extend the Registration process for a day only i.e the affected candidates have to report at the University on 22<sup>nd</sup> November, 2017 within working hours with all documents required for completing the registration process.
